Dr Philip

Several People lately have
applied to me for the Ferry among the
many Mrs Warran, She will take the
place better than any one that I
know of she is Cleanly and Industri-
ous. And will not be troublesome

She will have some fit Person with
her to keep the Ferry. Dont Engage
the House or Ferry to any one until
you see me. This from your Loving
Father, Pierre Van Cortlandt

P.S. If you have not telled your
Ac^t. with John Merret, I have found a
mistake in my favour
