

Fishkill the 15th febr. 1785-

Dear Sir

On the 10th Instant I received your favour of y^e 28th Ult^o inclosing two accounts of the Estate of Mr Verplanck deceased - By the receipts therewith hand you, you will observe that the parties have neglected to Credit James Verplanck for sundry payments and I believe will think with me that the whole of that account has been settled - The family here are entirely Ignorant that there were any Demands from Ammerman & Notchoff; only Townsend recollects his having had two together.

I think it ~~therefore~~ exceedingly hard, that at this distant day they should come in with an account, & never before have notified the Demands - which they could then without any difficulty have satisfied - I am therefore apt to think that some satisfaction has been made which they have neglected to enter - however if you are convinced that the debt is a just one, it ought by all means to be discharged -

We are obliged to you for having let the place of Walter Dotts to Ab^m. Lane - I suppose in the form called the Mill Lot - and shall enter

it accordingly — The family join in respectful
complements to Mr. Lottlund, Mr. & Mrs. Beckman

I have the honour to be with esteem —

Dear Sir. Your most humble Servant
Sam^l. Verplanck

Pierre Van Lottland Esq^r.

P.S. a Dr. Farwell who has been successful in
the cure of cancerous complaints, tells me he has
received a Verbal Message from Mr. Beckman
which he does not rightly comprehend —
