

Wash. Nov. 24 '1885

Dear Sir

It would give me great
pleasure to accept the obliging invitation
of the Harvards of the D. Webster Society
to their 'Texting Dinner', but unfortunately
it comes on Saturday and would
oblig me to be absent from home
on the following Sunday, on which day
I have special engagements there.

Very respectfully

SHR

Yours ob. Serv

Washington Irving

D. F. Curry Esq.
