Dear Sir, We are kindly have the
Jeffermont test made of the plumbing
in the house I occupy on Guyana Street -
to understand the condition has
not been cleaned out for years, I
am uneasy on the subject & they
that for me give the matter your
prompt attention.

It was shortly the time
for the storm door & windows to
be put up - to the rest of
the house has been painted, it
now looks very unbecoming if
they are left as they are &
