

The Hon.

Thomas Hughes.

Dear Sir

My Publishers
will to day send to you a
Copy of my "Life of Benedict
Arnold, his patriotism & his
treason".

My purpose & motive in writing
it you will gather from
the Introduction & the Book, &
therefore I will only say, that
while I do not to any extent
excuse what we call his
treason, I demonstrate, I think,

that great injustice has been
done him.

I should be very glad to
know what impression the
work will make upon you.
With your liberal view your
judgment will be free
from any national
prejudice, & if you will
do me the honor to read
the Book, & if convenient
give me your views,
I shall be very much
obliged.

Very truly yours
Isaac N. Arnold
