Mr. W. N. Mendenhall

N. Y. C.

Dear Sir -

There is evidently a misunderstanding.
If you will re-read my first letter you will
see all we asked was, if you were willing to compete
upon this basis thus named, we wrote to several
others the same letter and all replied promptly
and were received Tuesday, on that night the
committee met and selected these. We did not
expect (any drawings, we allow merely five
minutes for that

Yours very truly
