I do certify that I did never directly or indirectly tell Sampson
Dyckman that Elisha Hammond told me that Pierre Van
Cortlandt Jun^r informed him (Elisha Hammond) that he could not
make up the matter in difference between him, & Dyckman
nor did Hammond during ^{I had with him} the ~~any~~ conversation introduce
Mr Cortlandt's name as having any agency in the business
at all and if Mr Dyckman has said that I told him
to the contrary he has done it unwarrantably from me
