

My dear Hector

A particular friend of mine Mr Washington Irving
from New York makes a tour of the Highlands with Mr Preston
a friend of his - if he should find you at Ross may I beg
for them the hospitality of the Priory & in return you
may draw on me in favour of any of your friends coming
our way & put this bundle in account between our two
lions Lockdown & Gt to Melrose Abbey. I hope you intend
to come here yourself when on duty: you can easily start
for a day or two as Brother David will be a fixture

Kind Love to Mr. Buchan & the nephews & niece

Affectionately yours,

Walter
