

Coxsack Nov. 14 —

Wm Miller

On Friday Evening we arrived
safe at Albany — This morning
I learnt that the Schoon was at
this place & have rode down
here — The staying as fine as ever
I saw it — To morrow the Schoon
will be at Albany — I have only
time to mention that I think it
will be best for you to get all
the Corn cut up & ~~draw~~ draw it
ⁱⁿ the Barn then it can be husked
at leisure — Take care of every thing
from freezing as well as you can —
I shall be down next week —
Tell Saml that I will exach from

him at least his horse & wagon
his stay & boat —

Yours friend in
Grate I am just
returning to Albany
