Dear Mr. Irving

After Re-studying your letter of the 15th Sept. I imagine you now in London & about considering the crossing to Paris.

You expected a couple of days in London - & so don't a few days

in Paris - preparatory to your Motor-Tour.

I send these lines therefore to say that we hope to see you here next week, & with so fine weather that your Run to us may be enjoyable.

Pray drop us a line in advance that we may know when you come.

The two little 'Cots'
of Sunnyside have
arrived - for which
many thanks.

The real picture
has not yet come.

We have wood
fires now but it is chilly
& damp - but this
is the fine way to fine
Autumn soon we hope,

One can make you
comfortable.

With an kind regard
to you & Mrs. Irving

Yours sincerely

Oliver Van Wall
