

Dear Em,

I have written to Sarah;
after reading the letter seal it, &
give it to Mr. W. to mail to-night.
Let me know by Abraham what you
hear from the Doctor to-night, that
is, write me a line and tell me all
he says, about the pharm, himself, you
self and my self - I shall be disap-
pointed if you do not - Now, are you
dear Em? Did you come home last
night, and with whom? Are you trying
to keep up your spirits? How are the pharm
folks? Tell Matilda off it with, and en-
joy every moment. Should the Doctor
send that money to me, keep it safely
till I come home. Your mother &
I talk of you all a great deal - do
write - Your mother
