

Mt. Auburn Station

Cambridge, Oct. 2, 1889.

Dear Mr. Stary:

Send proof.
A.D.S.

If you can send
me another proof of the
little story, I will try to
add a few points to it.

At present I
can't say anything definite
about the story I spoke
of; but perhaps I may be
able to do so before long.
As I see it now, it's some-
thing that takes my fancy,
and I believe it could
be quite unique.

Yours sincerely
W. D. Howells
