

My dear Mr. Nicholas —

I hope you are not
completely exhausted by your efforts to
entertain your friends — If you are, you
at least have the satisfaction of knowing
that they are appreciated as they deserve
to be — As Mr. Wallis and I don't mean
to be deprived of our privilege (which
you know in Van Lee Sand would be
a monstrous abuse) we send our quota
for, you know what — Mr. Wallis wishes
to know if Sarah could not render you
some service towards adjusting your
rooms —

Yr. truly

S. L.

Wednesday Morning —

To

Mr. Nicholas
