My Dear Child

Last evening Messrs. Thompson, Truitt and
Hall completed their lawsuit. It is now copying and
the copy will be transmitted to General Hamilton by
Col. Truitt who leaves this to morrow. - General Hamilton
requested it might be sent to him, that he may be
enabled to give you and the trustees explicit
directions for your future conduct in this business
and I have directed him to expedite them to you.

In the Award the terms are stated and the
sum per acre which each individual of each class
is to pay is specified. - I find that the farms of Abraham
& Samuel are at a mean 5 dollars 15 cents per acre.
The surveyed farms amount 11139 acres.

With love and affection from your & Sally's
Father
Your most affectionate parent
