Mr A. D. Irving

My dear Sir

I am very much obliged for check. It was on account sketches at mine top. - My free charge will be 5% upon the amount expended ^{and the only} extra amount will be the necessary Car fare, ^{and the amount} due me on the measurements, etc on old horse, & for say- ing out the square. This is always charged in excess of the 5% - I charge for self & assistant, at the rate of 10⁰⁰ per day of room & expended, ^{as the time} measuring, etc. Can never be determined it is always 50 charged. - (On the small work only do I charge 10% - Such as repair to old stone, etc, etc. amounting to less than \$1000 -) You could see that 5% would not pay as a good deal of time is expended visiting
