

Philad. 1 May 1819

Dear Sir

Annexed is receipt for fourteen
bundles (28 reams) of the Medium
Paper ordered by you of which you
have bill below.

I have ^{not} yet been able
to learn whether the remainder was
sold, but imagine not. It would
take from two or to four weeks to make
it, according to circumstances. You
shall hear from me as soon as I can inform
you from the Paper Maker.

3 You had better send
a careful Carter for the
Paper when the vessel arrives.
It was hurried on board & the
bundles not very strongly
done up.

Very respectfully
Yours &c
W. W. Wood
