

Dear Sir

Fishkill, N.Y. 7th March 1795

I take the Liberty of inclosing to you copies
of the accounts of the property taken from the point
together with two Letters on the subject from Col.
Hay and Mr. Benson. By this time (I hope) Mr.
Rooney will have (~~the~~) obtained Vouchers for
the fire wood that has since been cut for the Post
at West point. You'll be pleased to take notice
that in these accounts no mention is made of a
Negro fellow named Aris who was enlisted in the
Continental Service taken prisoner and as we are
informed dyed in the Prison -

You are the best judge to determine if it
would be proper to follow Mr. Benson's Advice of
sending a person to Albany, to get these matters
Liquidated; if so I should imagine it would be
more advisable, at same time to send the
Vouchers that Mr. Rooney shall have procured
so as to have the whole Affair settled at once.

With respectful ^{compliments} of all here to your good self,
Mr. Lulland, Mr. & Mr. Beckman. I am
with Esteem. Dear Sir. Your most humble servant
Sam^l. Verplanck

Sam'l & Sarah
