

aug. 12. 12 noon

Dear Irving.

Canton August 7<sup>th</sup> 1834

I wrote a few lines from Cupang  
Moon on Tuesday, and at the same time Wed-  
nesday sent you at my request. 1 Bot of  
Claret & a Bot of Madeira, as he had no  
Sherry that he could recommend: also a Bot of  
Brandy for Mr. Hathaway, all I hope to answer  
your expectations - I did not settle for either  
but if you wish it I will pay Hunter the  
amount - the Bautomabaults not remain  
alongside, but for a few minutes -  
I left Cupang Moon at 12 o'clock of the same  
day in the Ship Caledonia, Captain Lancaster,  
and arrived at Whampoa, after an extremely  
pleasant passage, at 2 o'clock Yesterday. The  
tide had just commenced running down, so that  
I concluded to lay over till this morning -  
having called on Henderson & one or two others  
more or less acquainted with the Standard of the  
"Caliscum" & took up my quarters for the night,  
and came to town in his boat this forenoon.

I found Capt Stoddard very accommodating  
and agreeable -

I forgot to inform you that our Dutch  
friend had arrived at the morning: he is ordered  
to Whampoa. where I hope and trust he  
will not arrive for two weeks at least -  
We hear today that the "Gratius" is below from  
Batavia, is a Salem Ship - Consigned to Rotterdam  
being date from England to the 22<sup>d</sup> March<sup>o</sup>  
and now comes your charge; if you wish to  
hear from me again; - being nothing more or  
less than to give me all and as early informa-  
tion of any San Kew arrival as can be had  
from any source whatever -

It is now 10 o'clock and I am very stupid -  
With Compliments to Hathaway &c

I am yours sincerely  
A. L. S. Orr  
very quiet in Canton  
His Lord Ship's salary not 11. but

5000 Rly  
See Sampson, I have not suffered from the heat since  
leaving Alueus.
