My dear

I did not for form of the very great
draft of Jackson that made here on
the 22nd while I was at Washington
Delaware came up first with his great
and made a hell of at least 6000.

At the end next morning made a hell
also, so that they loaded the 6000 on

very to me the mother of them left
first for the family. It is the 2nd of that
back follow. There was in my house from
rest in this house. Delaware has been

up time with his great good great
got my consent but I ought to be and part of
your mother and I can write I am still
confined with my knee and with a
Respect yours. P. S. I have been for some

My dear - I am
at home - I am
