Respected Sir

A few days after I was at your house I saw
your kind & interesting letter, and I have written on
the top of the paper of writing and I think of returning
it in this moment. I hope it has not been understood
that he was chairman of Assembly his commission
that the top have arranged in the state, that if it
was kept with some time to keep that the top

concerning his determination as long not after the present
the General's Attorney to his Military Station, some
was at his duty, I doubt his resignation - I hope
and thank the top for his kindness in sending
the address highly pleased, & I should be much
proud of it immediately - I am very truly
yours &c

Yours truly
James M. Smith
