

when you will be there - & don't forget
dearest to get the "Saturated Tincture of Aconite
Root." from C. Adamson's 699 Broadway - if you
cannot get it in Washington - also the pens &
some paper for Annie such as she writes to you
on - & I would like a little of the largest sized
note paper, or the smallest sized letter paper I
don't know which it is called.

I am happy to tell you that the college is located
here, all through Elder Roe's influence, he has
a most gigantic intellect, that accomplishes
everything it wills - I never hear him preach a
sermon that I do not wish my husband by my
side, it is a rich treat to ^{hear} him, & I tremble lest
we do not sufficiently appreciate the blessing.

& now dearest I must say, good bye, or my letter
will not go out by to day's mail - may God bless
you always your

Emma -
