

Bath 15. Feby. 1836.

Sir, I have just rec^d. a Commission from
the Governor to you as Inspector of Lumber
be for Centerville - also one for Ezra
Stewart for the same but do not know
whether he lives in East P. Post or in your
neighbourhood -

Yours Truly
Wm. A. Bull

Capt. S. Adams

P.S. I am sorry he could not have
chosen a more able bodied man, and
one of better timber - but it is too
late to remonstrate - The Whigs have
carried the Anti Banks in Penn^a. & W. fields
will raise the price of Lumber at
least \$1.50. M.
