New York, Aug^r 13th 1813

Dear Mother,

Assured you have a very valuable
opportunity from Pierce to his mamma; which is
the result of many days meditation & preparation.

Your family is all very well and the boys
continue to conduct themselves like little
noblemen. I have nothing new to
inform you of, and merely write to ~~let~~
make you feel easy about your home.

Your affectionate Son
W.D.
