

My dear Miss Burney

Inclosed is the hand-
writing of three or four People,
with whose works, I am very sure,
you are not unacquainted.

Wordsworth

Crabbe

Joanna Baillie

Moore

Campbell

SHR

Washington Irving

D. Wilkie, R.A.

What they have here written is on the
every day-business of life. I wish
the subject, had been more interesting.

Yours very truly
