My Dear Child

I write you in answer to your
letter that ~~the~~ certificates signed by the
Treasurer were payable for lands purchased
from the state, and that your neighbour
might exchange his certificate with the
purchaser, but I would not advise him
to do it immediately as I intend to bring
in bill directing the treasurer to pay all
such certificates, which I believe will pass
into a law. I have been so extremely
engaged that I have not been able to
send the boys what I intended by your
children, Let Sally and the children
participate with you in my love
Adieu Yours most affectionately
Washington

I succeed even by M^{rs} Monpilaire ^{he had prevented my having the} ~~which had not the~~
pleasure of seeing her;

The ~~method~~ method you mentioned in your former as
most advisable to procure the best market for the paper
I alluded to, the owner hesitates to pursue, alledging that
he is old, cannot speak English & fears many other
difficulties will attend him, he has in consequence of
his apprehensions refused me to purchase them, but
as the principal were received in consequence of loans
made in Spain & returned here in Continental, he seems
unwilling to part with them for less than ~~nominal~~
~~value~~, save excepting the interest, my ^{reply} answer was,
that I would give him an answer in a few days, but
whatever contract might take place between us I
would reserve to myself the right of returning the
Certificates in case I did not choose to advance the
