

WARD CARPENTER & SON,
Civil Engineers and Land Surveyors.

Ward Carpenter,
Geo. E. Carpenter.

Tarrytown, N. Y., July 28th 1886

Mrs. C. E. Van Cortlandt;

Madam;

Yours

of the 26th, came duly to hand.

In accordance with your request,
I send you, by express, the Original
Map of the "Van Cortlandt Manor".

I am thankful to you, for the
use of it.

My health is no better, a little
worse if anything. Did not see
the Article on your house. Will
look it up.

I have had a look at some
portion of the 'New History' of West-
chester County. From ^{what} I could see,
I judge it will very much more
interesting to many readers, though I
would not give my present copy up.
Yours very truly,
Ward Carpenter.
