Dear Sir

Inclosed please find
quotation on Atlas Cement for Mr Irving
Stable at Irvington Inf.

In regard to the quantity of sand etc. that
can be mixed with it, while building our large
store house at Dorhampton Pa. The concrete was
composed of 1 part Cement 9. clay & 3 of sand
& gave excellent results. So you can use your
proportion of 1-6-3 with safety & increase them
if you wish to

Trusting to hear favorably from you
Dear Sir,

Yours Respectfully
