Dear Papa

I now take my pen in my hand to write to you to inform you that we are well.

Uncle General arrived here yesterday and leaves it again to day for the westward.

If Mama is anxious for me to come home I wish you would come and fetch me for it will be a good while before Uncle General returns from the westward and Aunt does not expect to come and pay us a visit this summer.

I wish you would ~~write~~ write me soon and let me know whether mama wishes me to come down and when you are coming to fetch Aunt and Uncle general writes with me in love to you all

I remain your affectionate
