SUNNYBANK LAD

Miss Jean Rutherford Mason,
48 William Street,
Ossining,
New York.

Dear Cousin:

Bruce and Lad were real dogs, though they are both dead now. You will see a picture of Lad and one of Treve, at the top of this letterhead. Harper & Brothers have recently published a third book about Laddie, called "Lad of Sunnybank."

We were sorry to have missed you, when you called.

It is good to know that my dogs have won so many friends through my stories about them. I shall keep on trying to write the kind of stories which I hope you'll keep on trying to like.

With all best wishes, I am

Sincerely,

APT:AC
