My dear Sir,

I note a few errors of the press in

Soldmuth.

Page 280 line 12 for 1722 read

1772.

Page 282. for idem velle atene idem
velle. read idem velle atene idem nolle -

P. 300 third line from the bottom for "made wrong"
read "made weary"

P 379. for familiar
features of life read "familiar pictures of
life"

P 318 line 20 for "thought or"
read "thought of"

P 285. line 7. for

"Angustales" read "Angustalis" P 278 line 9
the love of all who knew him" of is wanting.

I am glad to see by the advertisement at the

end of the volume that you intend to publish
a complete edition of Soldmuth's works. I

Prepare 2 P. line 15 circumscantul.
P 102 line 6 for must ludarius read almost ludarius
P 184. note at the bottom of the page for Foster
Foster

intended to suggest it to you, when I should
next see you. I think it cannot fail
to be acceptable to you.

Very truly yours
