Dairy as we talked. Or will send
you a copy of plans. And the Est.
and specifications of Rice work just
as soon as I get the est. -
will get two, one from the low
man and one from Glenland Taylor.

My last statement to Mr. Irving
showed a balance to that date
of \$137⁰⁰ on the main house. -
and I would like to collect the
amt. due on fence & cottage to
date. as I wrote Mr. Irving I
have charged just what I paid
out on the plans of \$1. and \$2
of the Cottage. - as statement
to date showed the.

Plan #1. Cottage.	\$137 ⁰⁰
Plan #2	\$12 ⁰⁰
	\$12 ⁰⁰

Plan #3. specifications & Contracts. - (2 1/2 % due now)	\$47 ²⁵
---	--------------------

5% on fence. - \$485 - = -	\$24 ²⁵
(Hunters Contract. -)	\$233 ⁰⁰

This will bring us up to the date,
except the printing of fence. and the
"Details", but I would much rather
collect as I used it as I wrote
Mr. Irving. than in lump sum.
just when due. - With best wishes
for a happy Christmas to you & yours.

(Huntman Contract) -
 2% on fence - \$12.50
 - \$12.50 =
 \$24.50
 - \$17.50
 \$7.00

This will bring me up to the date
 except the printing of fence. And the
 "Huntman" but I moved much rather
 collect as I need it as I wrote
 the group. Then in June come.
 This last week
 first night day.
 I am happy to hear of
 your success in
 the new business.
