Go to the Millers at the Clay fields,  
Tell Them I Look to the Lease I gave James  
Sharrocks for the Rent of the Land I Leased  
to him at the Clay fields; Which is to be paid  
in half yearly payments Every year;  
Tell them I Want the Rent that is due,  
to be paid up to the first of May Instant,  
Which if not done, They must abide by it  
Consequences; They had better Tell the  
Reversion of the Lease to some good person;  
Who will pay the Rent without further trou-  
ble to me; I am told the hay Land will more  
then pay the yearly Rent.

you will also go to Henry Crifftie and ask  
him for the Rent due; Tell him much as  
I have wrote about the millers; and Note  
Their answer, which will oblige me
