

Claverack 4 Sept. 1792

Dear Sir

My proportion of the money on the bond which you have executed relative to the estate of M^r. Buhman hath been a considerable time due, and I have not received any part of the principal and not much Interest, both of which I hope you will find it convenient ^{to} pay within a very short time from this date, I also wish you to inform me respecting the other Property in your hands or else where, as I am desirous of having a final and full settlement. Please to write me by mail as soon as possible
