

Emerick commanded a set of refugees -
runaways - descendants

Peter Van Tappel & Carol Van Tappel houses
on the sawmill run road. burnt by refugees and
British. Some of the ferry men has rendered a
retaliation. - To burn old Delaney's house on
Wash head - got old whale boat - mainly
naughty - muffled over - go over the river
put along ferry then to and find ship. Strike
across to Maaballen island - hear some on the
boat, to keep the aspect & keep guard - Strike island
for the hour about half mile from shore. Large house
the plant, that up - burst open soon. Mr Delaney
half asleep comes to top of stairs demand in
sharp tone what they want at
that time of night

To know you know. Murder and he have
but a few minutes to pass. Staff running &
later what you can carry about you and keep
the exclaimers -

we treat you better than you ought to treat
an Englishman, when ~~how~~ for under they have
taken out 2 men & burnt the hotel

- Mr Delaney. For when you come - offer of
extra money is - is -

They enter the room - with baggage
Danish ad Dutch - red furniture
the leader tells his men to take what
they can carry - have no time to
lose. Some take on things from the
— unguarded with only a few
take two large brass cannons - use them
together having them round his neck
- command take off buttons ad - some
stream bed - let's see to them - they
push for the boat - kept back -
alarm given from Fort Winchester about
- get to their boat stop cautiously take
care of cannons but they knock a hole in
bottom - Pull off them - see the
guard with burning boats to land from
expecting to intercept them on their
return - get to Jersey shore - scuttle the boat
throw over board - make into country
get up to Fort Lee - come to Jersey town
by Carney. — 's neck was done by
the brass cannons.

Jacobus Zapp of the coast - with [2.]
long gun gun. Always on the watch.
sitting behind rocks & trees & firing on whole
boats - got the name of Capt Dodge.

Boat landing from Jersey - loaded his long
gun with shot. He fired at boat killed
one man, who was buried a Dutchman point.

British transport with troops from
Fort Mifflin - ^{in the night} grounded about coast -
moving round shore to shore.

Van Tassel gave notice to young and
others - come to them. fired into water
persons - killed two men - buried a
Dutchman point.

9. Sluys Willems Church - ~~It~~ Always [13]
preached a Dutch there - after the
war, - as people of other ~~languages~~ ^{languages} settled
a neighborhood an attempt was made to
have ~~pre~~ ^{pre} ~~services~~ ^{services} occasionally in
English. Steadfastly opposed - why?
It is expedient - ~~that~~ For all our ⁵⁰ ~~and~~
English, but there are many here ~~and~~
understand Dutch - No matter - ~~that~~ ^{for}
they had always understood God in Dutch in
that church - But what harm is it or -
It is the same word of God whether preached in
Dutch or English - some extreme to
W.D. & Foshee - that he did Dutchmen declare
he had read somewhere in his letter that
English ~~was~~ ^{was} never to preach in a Dutch
church - They reasoned with him but
all in vain

For many talk after or even before me,
but I can't agree with you, but I'll stick
to my gun like Mr. D. - I'll never
give it up.
