

Dr Lockhard

Your Unkles have Informed me that
the Livingston Sale was put off for
certain Reasons, And that another
method is to be taken immediately
so as to make a final Settlement of
Thereof. — Sometime ago, I wrote the
Chancellor that my Council had let me
know that they had got Judgment on the
bond given by Henry Beekman To ~~John~~
Van Cortlandt. ~~The~~ monies ~~to be~~ applied
as is directed by the Will of Gertruyd
Beekman Decd, and that a ~~W^o~~ Livingston
said ~~then~~, application must be made to the
Chancellor. I wrote him the above
and that I should be happy that the
money was paid soon so that I might
make a Dividend among the Legatees
who were anxious and pressing for it
and as the monies must ultimately

be paid out of Coll Beckmans Estate
and as I was then in my 16 year of age
I should be happy to see it done in

my dear Mr D^r with great Respect yours
affectionately
~~Wm A Beckman~~
