

Dear Friend.

Canton February 1/1838.

There has been no arrival from Elmina for a long time, and I am without any information of your arrival at that place - Captain Pearce is going over in the "Elmora" and I avail of the opportunity to transmit a memo. of some claims that are made against you, which I do not feel warranted in settling till I can get an answer.

Chy long - Lu dates 2.70

Sim Ann - the painter 6.

Hunging for shoes 8.

Washing, named in my last - Say 12 as a max price

Ammy, Tailoring 30.75

on account of the latter and the Bill of washing, I have paid 25 calls, as the Chinese all want money at New Year.

Hunter and myself have decided to allow 80, dollars for your interest in the Salt boat, which we think is as much as she is worth, and I suppose all that you would expect. however I want to meet your wishes, and am quite willing, individually, to be governed by the valuation you place upon her. Hope, if it is your

intention to remain in all haste, to have full and
frequent letters, from You. In the mean time, I
have nothing special to communicate, but after
hearing what You are at, shall know what to do.

Very Sincerely, Yours
J. S. Linn
