

Count D. de Sillon,
Letter to me -

~~on 21st Feb. 1848~~
~~at 10^h 15^m 1848~~

The Count de Sillon presents his respects
to General Wancourtland. he hopes that in the contest
which passed between M^r. Willink and himself there
was nothing that could give offence to General
Wancourtland's respectable character and he offers
this apology and remains with the highest respect
and consideration.

Edouard de Sillon

Friday 21st February.
