thing about: and that is of
how small importance to yr-

I can assure yr mistress lately
that the fact of yr having made
yr own way to such a position
(under God's blessing) has done more
for yr here than years of ordi-
nary duty. This is not perhaps
altogether reasonable — but it is
the way of the world, and yr-
may thank God that he thus
aids yr advancement.

Will send the Ld. Johnson.

— Remember me affectionately to

to bank — Whenever I may have to
leave Mr Lea's pew, I have permission for
family & his pay for it.
Hereby that matter
