My Dear Willie

I got your letter
asking me about Helen
and am quite ashamed
of my reply for not answering
it. I also need the
Dramatic Article, you
sent me when I was

on the plantation they are a source of much
pleasure to us all. I do not change the
bill here. for two reasons. The theatre is too
large for comedy and Rep is still playing
to great hearing. All of our folks are much
pleased with the visit of Mr. H. Garrison and
the children this winter. Mr. S and Louis say
that your boys are lovely. Give my love to
them all and know me their ever
