

Fort George June 3^d 1776

S^r. Sir

On Your arrival here you will apply to Colo. Ganse-
=voort for an officer and three or four men to assist You
In making the following Survey

To begin at the Dock and so proceed along the main road
to where the road turns out to M^r. Jones's Mill which is about
two miles beyond M^r. Wyngs, you will then proceed Eastwardly
along Jones Road to Wood Creek, ^{at Cheshires} and thence along the road
nearest to the Creek to Shoenstorough, from Shoenstorough
You will return to Cheshires and Survey from thence
by the way of ~~the~~ Hoofnagles Mill to the main road
Leading to Fort Edward; and that done you will Survey
^{the road} from Jones's Mill to the said main road and close your
Survey at the same place you came out at when you
Surveyed by Hoofnagles Mill

In making this Survey you will note every house
Mill, Rivulet Creek, mentioning the names, and also
every thing remarkable such as deep Gullies, the length
of Bridges, their height, the length of Swamps where
Causeways and necessary, narrow defiles, &c

You must take a Wagon to Carry Your baggage &
the Indes provision &c

Yours L^y

Yours &c &c

P^r. Schuyler
