Dear Genl.

I arrived in time to attend the meeting on that day, and found a very large and respectable assemblage. There were some few persons who attended at Springfield, among the number was John Hall from New York, he immediately wrote to Noah as I have been informed - and we may expect to see some satirical remark in his paper - should he attempt it, he shall be answered - I was agreeably surprised to find the meeting so unanimous - there was not a dissenting voice, Deborah came out boldly - indeed Genl. you have many friends in this quarter - it will be well in my opinion that you visit this County as soon as you can conveniently, and spend some time amongst your friends we must be active since we have a host to contend against, and as this will be their last struggle in this district we ought to be well prepared for them, If they die it will be with a terrible struggle -

I am in hopes that you rec'd my letter relative to the Incorporation of our Academy we expect much from your friendly interference, let me know the result as soon as practicable

I am Dear Genl.

Respectfully
Yours &c
