

My dear Mrs W.

Upon getting
have we found a note from Messrs.
Gibbons to Mr. L. ^{requesting} ~~requesting~~ us to
go there this w^{ch} - in such a way
that he thinks we ought not to
refuse - Have you sent an
answer - If not, would you
extract it? & let me call for you at
9 o'clock - I am flattered
with the morning's exertions -

In much haste as may be
perceived by - very truly a Mr. L.
P.S. have you observed that gentlemen
always sign themselves in haste -
