William Miller

I received a Letter from you dated
the 10th Instant. Am happy to hear that you
all are well - I wish you to pay Ellis Hower
she no doubt wants her money - I am glad that
James Frost has taken care of the Beef & Cork
I wish you to be keen on eye to it that it is well
pickled & kept under pickle - That Robert
Foster is a rascal I well know & I shall direct
Mr Nelson to issue a writ against him - also
now write to Theodore to have the Bills pro-
secuted, there are also great scoundrels - I will
write to your uncle John M^c Coy that he and
John Oakley may cut wood - Does Bill Cabot
steal wood & what is it at Ellipsis about with
his Old Horses - The stack of Hay on
Beck Hill you must draw home immediately
I thought I told you that before I came away -
I have written to Clara to speak to Mr Jones
to get her 100 lb of flax, your mother wanted
some to spin which she must have Tell

Clara so — I am glad to hear that the Horses
& Cattle do well, I wish you to cut straw and mix
with meal to feed the Horses it will save the Hay
— how are the Queen pretty folk — And are both
mares with fold —

I wish you to write often — I seems
I cannot persuade Clara to write me

Remember me at Home and
am yr friend
