

M. Tene Courtlandt —

M. E. Swarth

M. The Livingston presents his compliments to M. Tene Courtlandt
and is extremely sorry to inform him that from the sudden indisposition
of M. Livingston, he will not have it in his power to entertain
him at dinner on Wednesday as readily to his invitation —
M. Livingston hopes that the receipt of his family will
soon enable him to accept the invitation.

Monday 23rd Janry. 1792.
