Dear Mr Edger

I thank you very
much for your great
kindness in offering
your services to help
in case of my going
to St Leonard.

I was exceedingly glad

lodgings at
Brighton - and
have consequently
settled together.

I am truly sorry
to miss you and
all of you!

It was my fault
in sending the

invitation so late
to Mr Waterfield -
but the truth was
I did not think it
quite worth the while
to come - as it was,
however, it turned
out much better than
I expected - and I
think you would
have liked it.

I hope

to persuade you
to come another
time.

In the meantime
I wish you a happy
time at St Leonard's
and with Lucy's love
I kiss is: keep it

He says I am
your affectionately

Yours
L. Schuchman

23^d March.
