

1st The Spirit of Freedom

Is not this a holy spot

Is the high place of freedom with

God of our fathers in its midst

2nd The holiest spot of all the earth

Quenched is thy flame on Liberty's side

It rather burns our sinners' pride

And thou old men thy scars abide

No more an angry mourning land

But on this hill thou Lord has stilled

From fierce hands its held the war cloud curled

And weeped our fathers where they bled

3rd In prayer and battle for a world

There sleep their dust to holy ground

And we the children of the brave —
