

Canton June 19th 1834

Dear Papa

I received your letter of the 14th yesterday but was something disappointed as I had hoped to have seen you instead of a letter, the time appears very long since you left us and I begin to feel quite low spirited and tired of housekeeping, but I hope though now you will soon be home and that Aunt will return with you, we should be very lonesome here if it was not for Mrs Spangue who is still with us My two last letters before this I directed to Albany as I did not then know you intended going to Niagara I think you must of had a delightful jaunt I should of liked very much to have been with you, what is the reason Catharine does not write to us we have not received a single letter from

her since she left home. — We have a new
steam boat to Sing Sing the Champion she is larger and
much faster boat than the Union. The Union is going
to run to Sag Harbor. Mr Primis School are going
on an excursion to West Point on Saturday with the
Champion. We are intended to accompany them.

I do not think of any news to inform you of at
present Elizabeth Cuyler is married to Mr Mills but
I believe I mentioned that in a letter to Mamma, Pierre's
arm has got quite well again so that he goes to
school the rest of the family are all very well and
give me in love to you all.

Your ever affectionate Daughter
Joanna
