

June 4th 98.

My dear Sir

But telegram this morning, just
as soon as I could get statement. I
now enclose it in ^{detail} heads up from the
certificates is ^{letter} copies of which I have
on file. if you desire to use them. —
I shall be happy to do any thing I can for
you as to clearing off valuation etc. if necessary
I looked over Capras roofs yesterday and
strongly advise their being painted at least
coats of best linseed oil paint at once. they
are very dry. and all canvas needs painting
soon after. Completing until the paper
will filled. Then it takes a long time to
directed Hunter to paint them — I will

Mr. Wm. L. G.

My dear Sir,

I have been very much interested in the
statement of the Committee on the
subject of the proposed
amendment to the Constitution
relating to the right of
the people to elect their
representatives. I have
been very much interested
in the statement of the
Committee on the subject
of the proposed amendment
to the Constitution relating
to the right of the people
to elect their representatives.
