

Westman town July 26th 1848

Thomas J Hall

Dear Sir Matters of business render
it impossible for me to leave home at
present or I should be happy to wait
on you as requested But I can not
see of what use I could be as I have
already given you ^{the} ~~my~~ best price
that I am willing to sell for. If there
is any thing else that you would
like to learn by dropping me a line
by steam boat or mail you shall have an
answer by return of ^{the same} ~~boat or mail~~
Yours &c

W B Westman

P.S. I shall be in town the first of next
week — W.B.
