

New York Nov<sup>r</sup> 23 - 1801

Dr. Bone

we came here last night  
found Washington much better & all  
the rest of our friends well -

I have not been able to see General  
Hamilton this day, to consult him  
about the suit & to let him know  
the receipt of the £ 250 from the  
Exec<sup>n</sup> of Henry Buckman. Burr  
thinks it best not to send down old  
Kronkhite until go we take to  
Hamilton which will be to morrow  
& in the afternoon I will write  
you by the mail -

Yours affectionately
